

Corporate Safety Eyeglass Program

By becoming a member of Eyeland Optical's Corporate Safety Eyeglass Program, your corporation will receive discounts on all products, including every OSHA approved safety frame and ANSI standard lenses. The frames and lenses we provide meet or exceed all requirements set forth by the US Food and Drug Administration (ANSI Z87.1 and ANSI Z80.1).

Eyeland Optical is a certified distributor of TITMUS safety frames with permanent or detachable side shields. All lenses are safety tested after being mounted in the frames for maximum breakage resistance.

In addition, Eyeland Optical will provide a complete and thorough eye examination, including Glaucoma testing, to your employees at a discounted rate. You may choose to have Eyeland bill your company for each examination or allow the individual employees pay for their examinations.

APPLICATION FOR EYELAND CORPORATE SAFETY EYEGLOSS PROGRAM

- 1. COMPANY NAME: _____
